Responsive Classroom Level II

2 Graduate Credit Course

Course Instructors: Mary Jane Broughton and Michaela Wisell

Location: Bristol Elementary School

Schedule: January 11 & 18; February 1, 8, & 15; March 8, 15, & 22;
April 5 & 26 3:45PM - 6:45PM

Course Description:

In this course for K-6 teachers and paraprofessionals who have completed the RC Level I course, participants will be guided through discussions, readings, presentations and a variety of learning activities that will broaden their knowledge and deepen their interactions with students. The following *Responsive Classroom* strategies will be explored:

- **Guided Discovery**
- **Academic Choice**
- **Classroom Organization**
- **Collaborative Problem Solving**
- **Deepen your Understanding of Logical Consequences**

Throughout our time together, participants will reflect upon their learning and consider how to apply it in their work with children. Participants are expected to attend all ten class meetings and to participate fully in activities and home preparations. During the course, participants will develop written plans and document implementation with students.

Enrollment for this course will be limited to 24 participants.

Pre-registration Deadline: December 15, 2010

To pre-register for this course, please send or email the form below, **and** send a *tuition reimbursement form*, to Nancy Cornell at the ANESU Office.

Please consider your pre-registration a firm commitment to enroll.
